OWN QUARRIES COLLECTION

## Innovation and High Standards of Quality in Natural Stones

For over two decades, nature has connected us and positioned us as a global reference in the production and commercialization of ornamental stones. We pursue excellence in every stage of the process, investing in cutting-edge technology, highly skilled professionals, and strict quality control to ensure surfaces of unique beauty and outstanding durability.

Our portfolio features rare and exclusive materials, formed over millennia by nature and refined by the Toledo brand to meet the most demanding market needs. We maintain a solid commitment to sustainability and environmental responsibility — principles that guide our vision and drive our growth.

OWN QUARRY COLLECTION

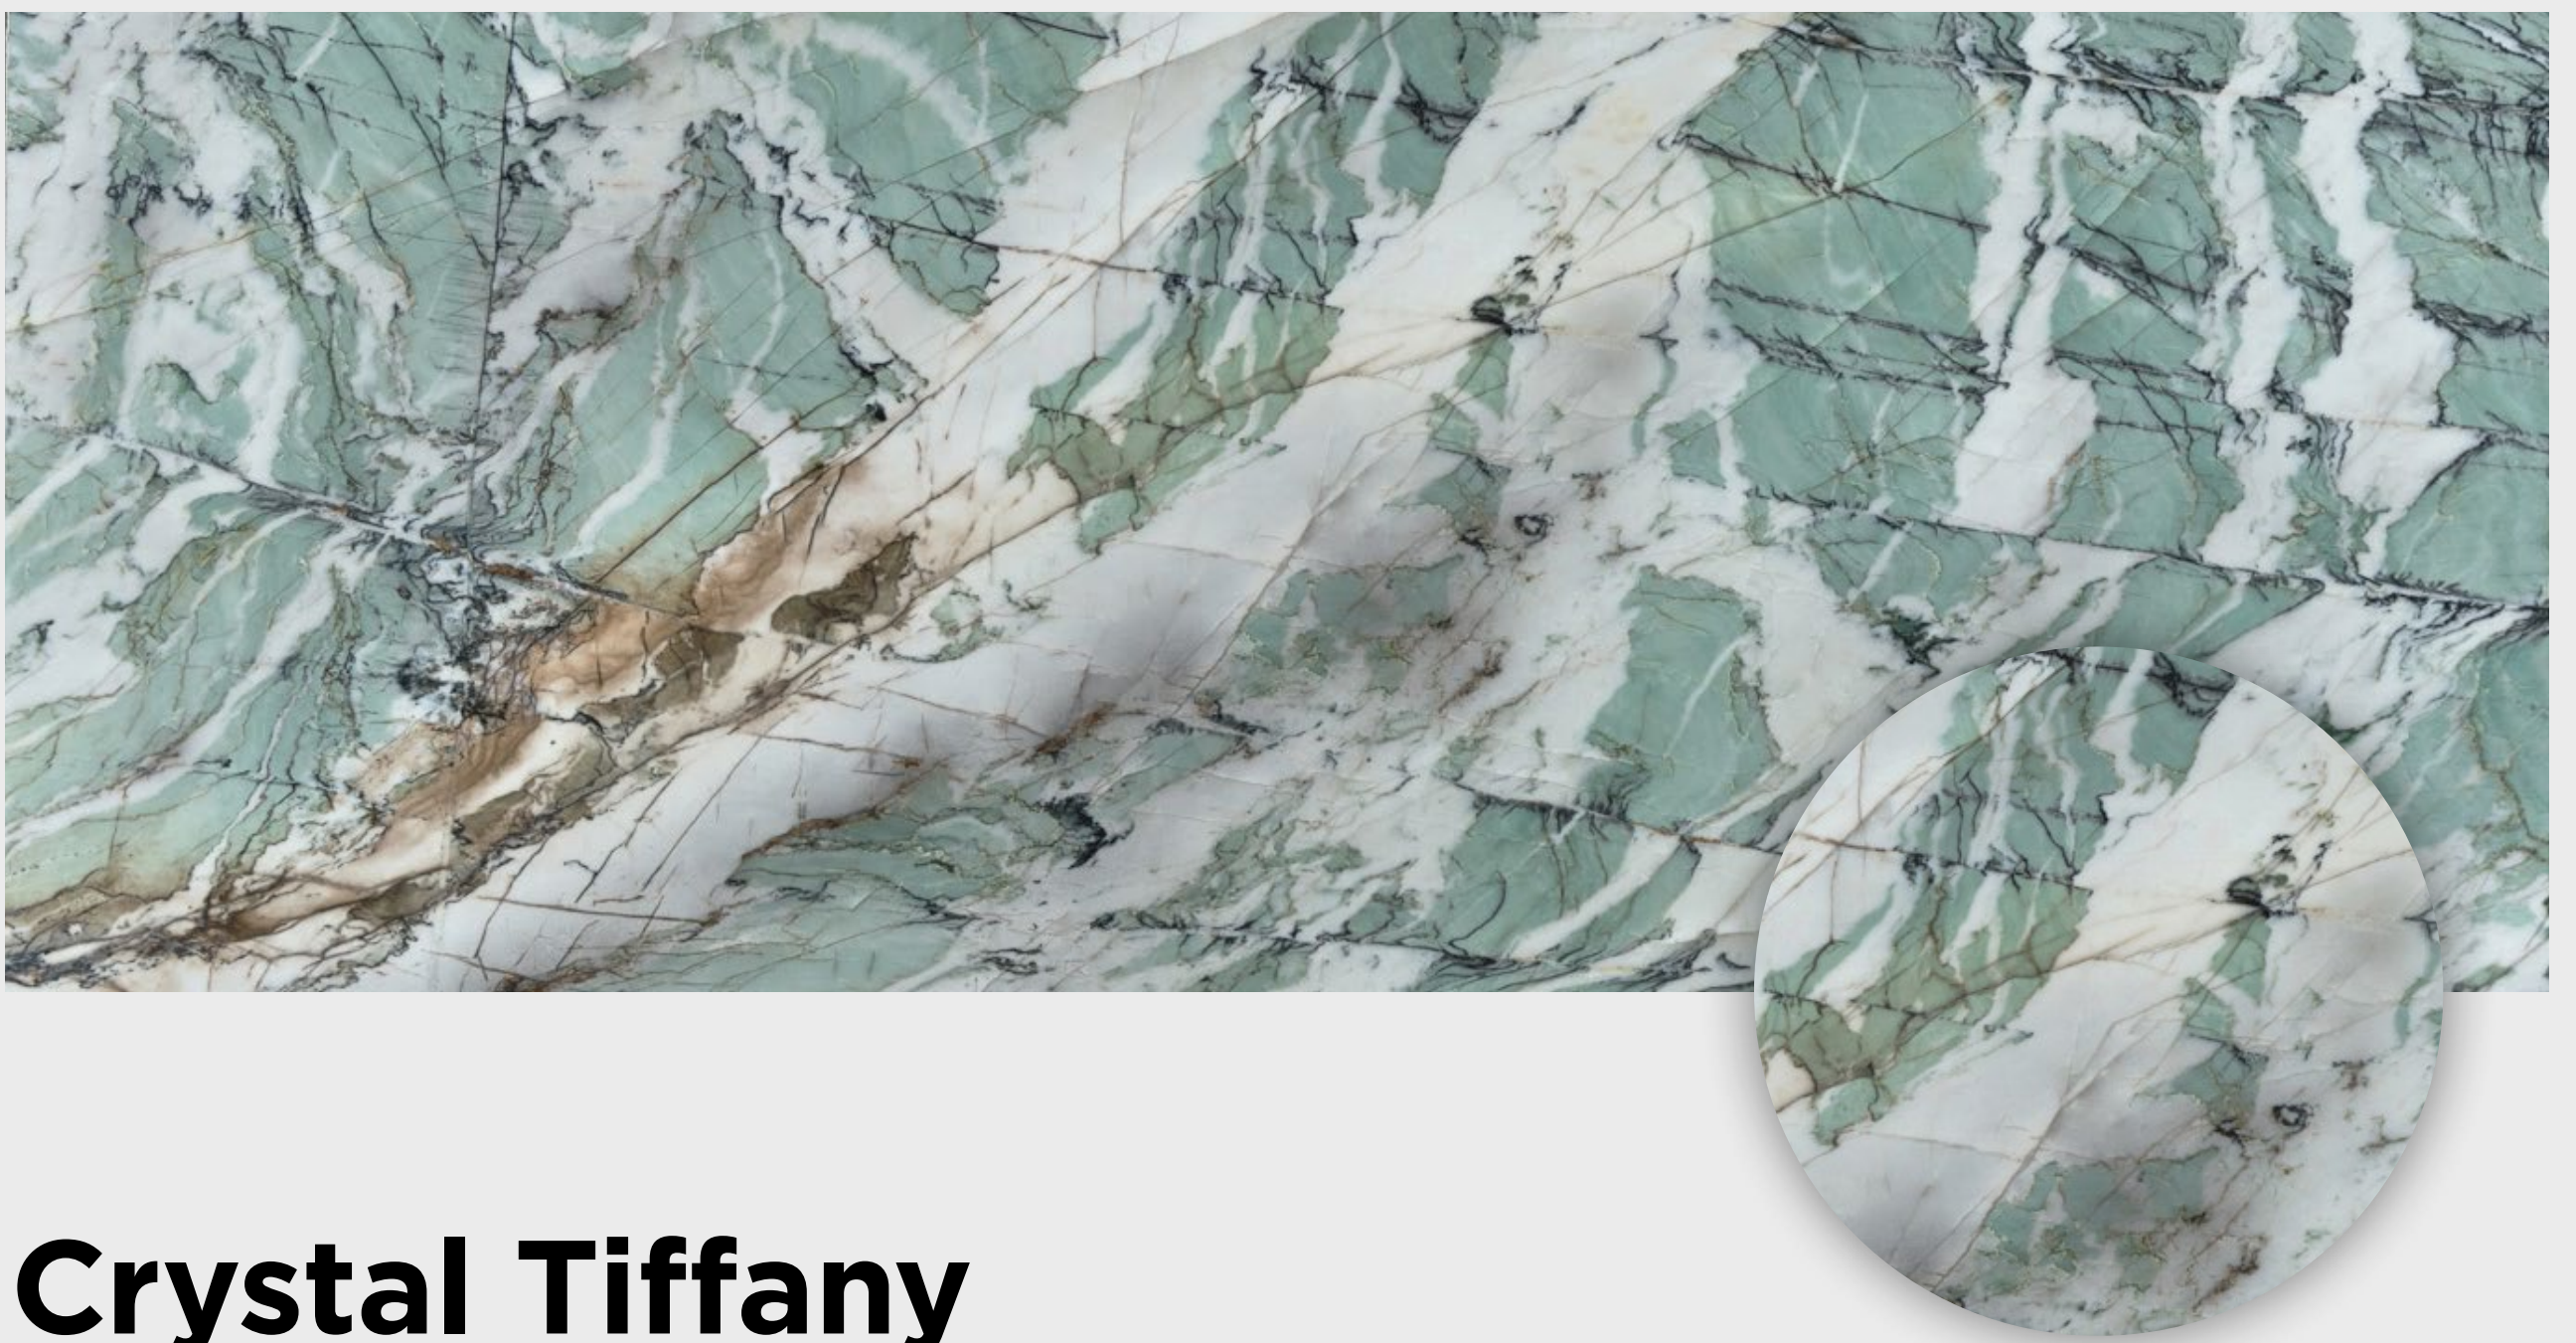

TOLEDO

## Crystal Cartier

Crystal Cartier stands out by the beautiful greenish color scheme that interweaves within the white quartz. It's exuberant pattern provides uniqueness, sophistication and timelessness.

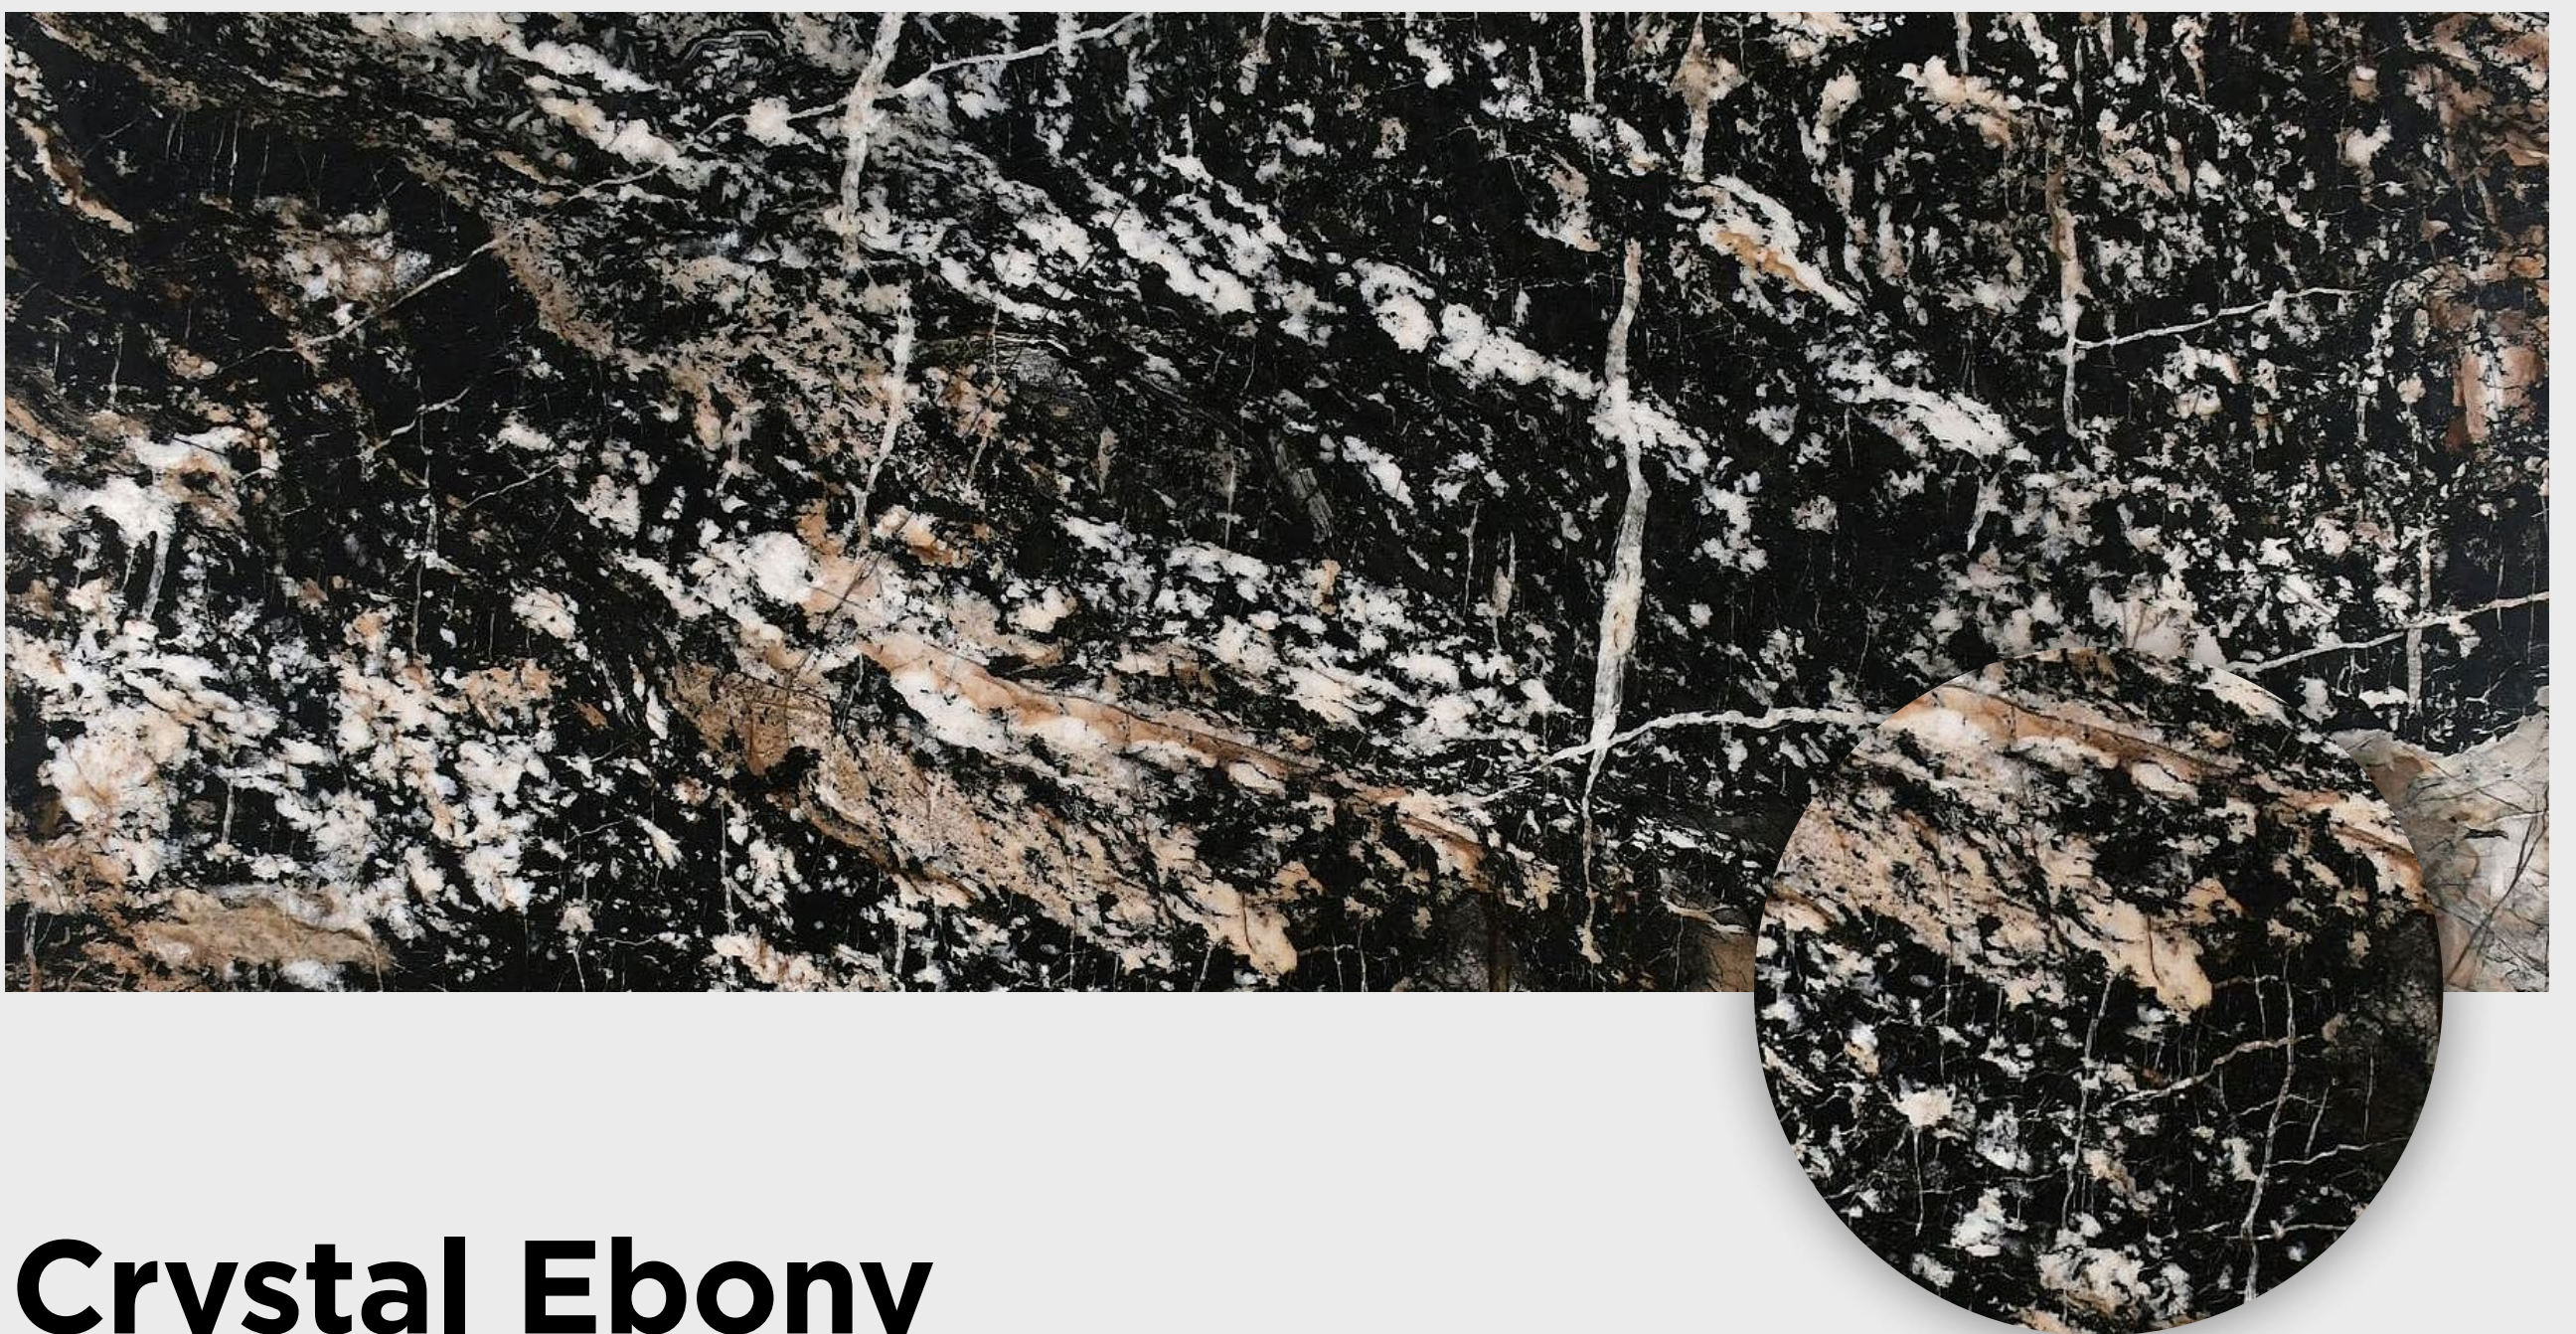

**QUARRY LOCATION** Bahia  
**THICKNESSES** 2 cm | 3 cm  
**FINISHES** Polished | Honed | Brushed

## Crystal Tiffany

Recognized as one of the most coveted Brazilian quartzites worldwide, Crystal Tiffany captivates with its bold veining and vibrant green hues. Its unique color variations and natural patterns bring a lush, elegant transformation to any space. A perfect choice for refined projects that seek freshness, authenticity, and exclusivity.

**QUARRY LOCATION** Bahia  
**THICKNESSES** 2 cm | 3 cm  
**FINISHES** Polished | Honed | Brushed

## Crystal Ebony

Crystal Ebony has a distinguish pattern in black and white, it creates an exuberant and unique aesthetic that impresses everyone that sees it in person.

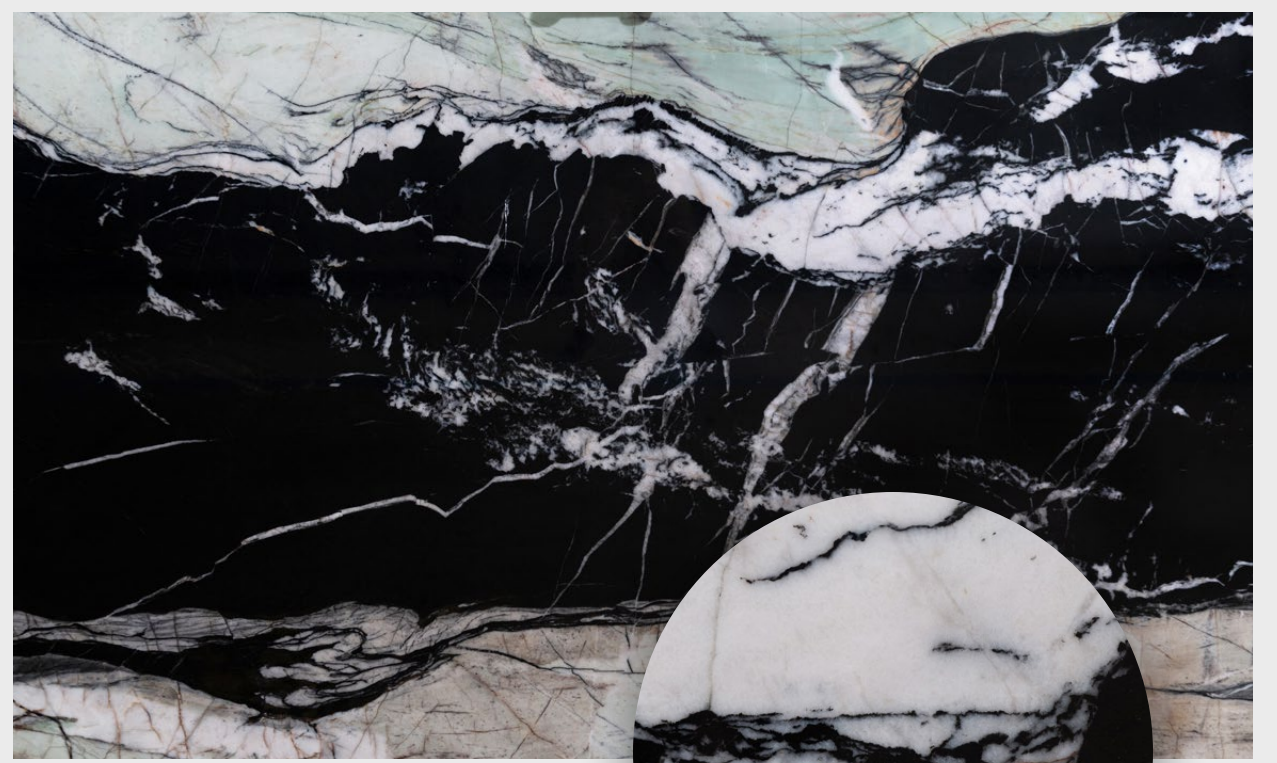

**QUARRY LOCATION** Ceará  
**THICKNESSES** 2 cm | 3 cm  
**FINISHES** Polished | Honed | Brushed

## Macallan

With neutral and warm shades, Macallan is an elegant and refined quartzite. It's a translucent material due to the presence of quartz crystals in their composition. Ideal for backlighting in luxurious projects.

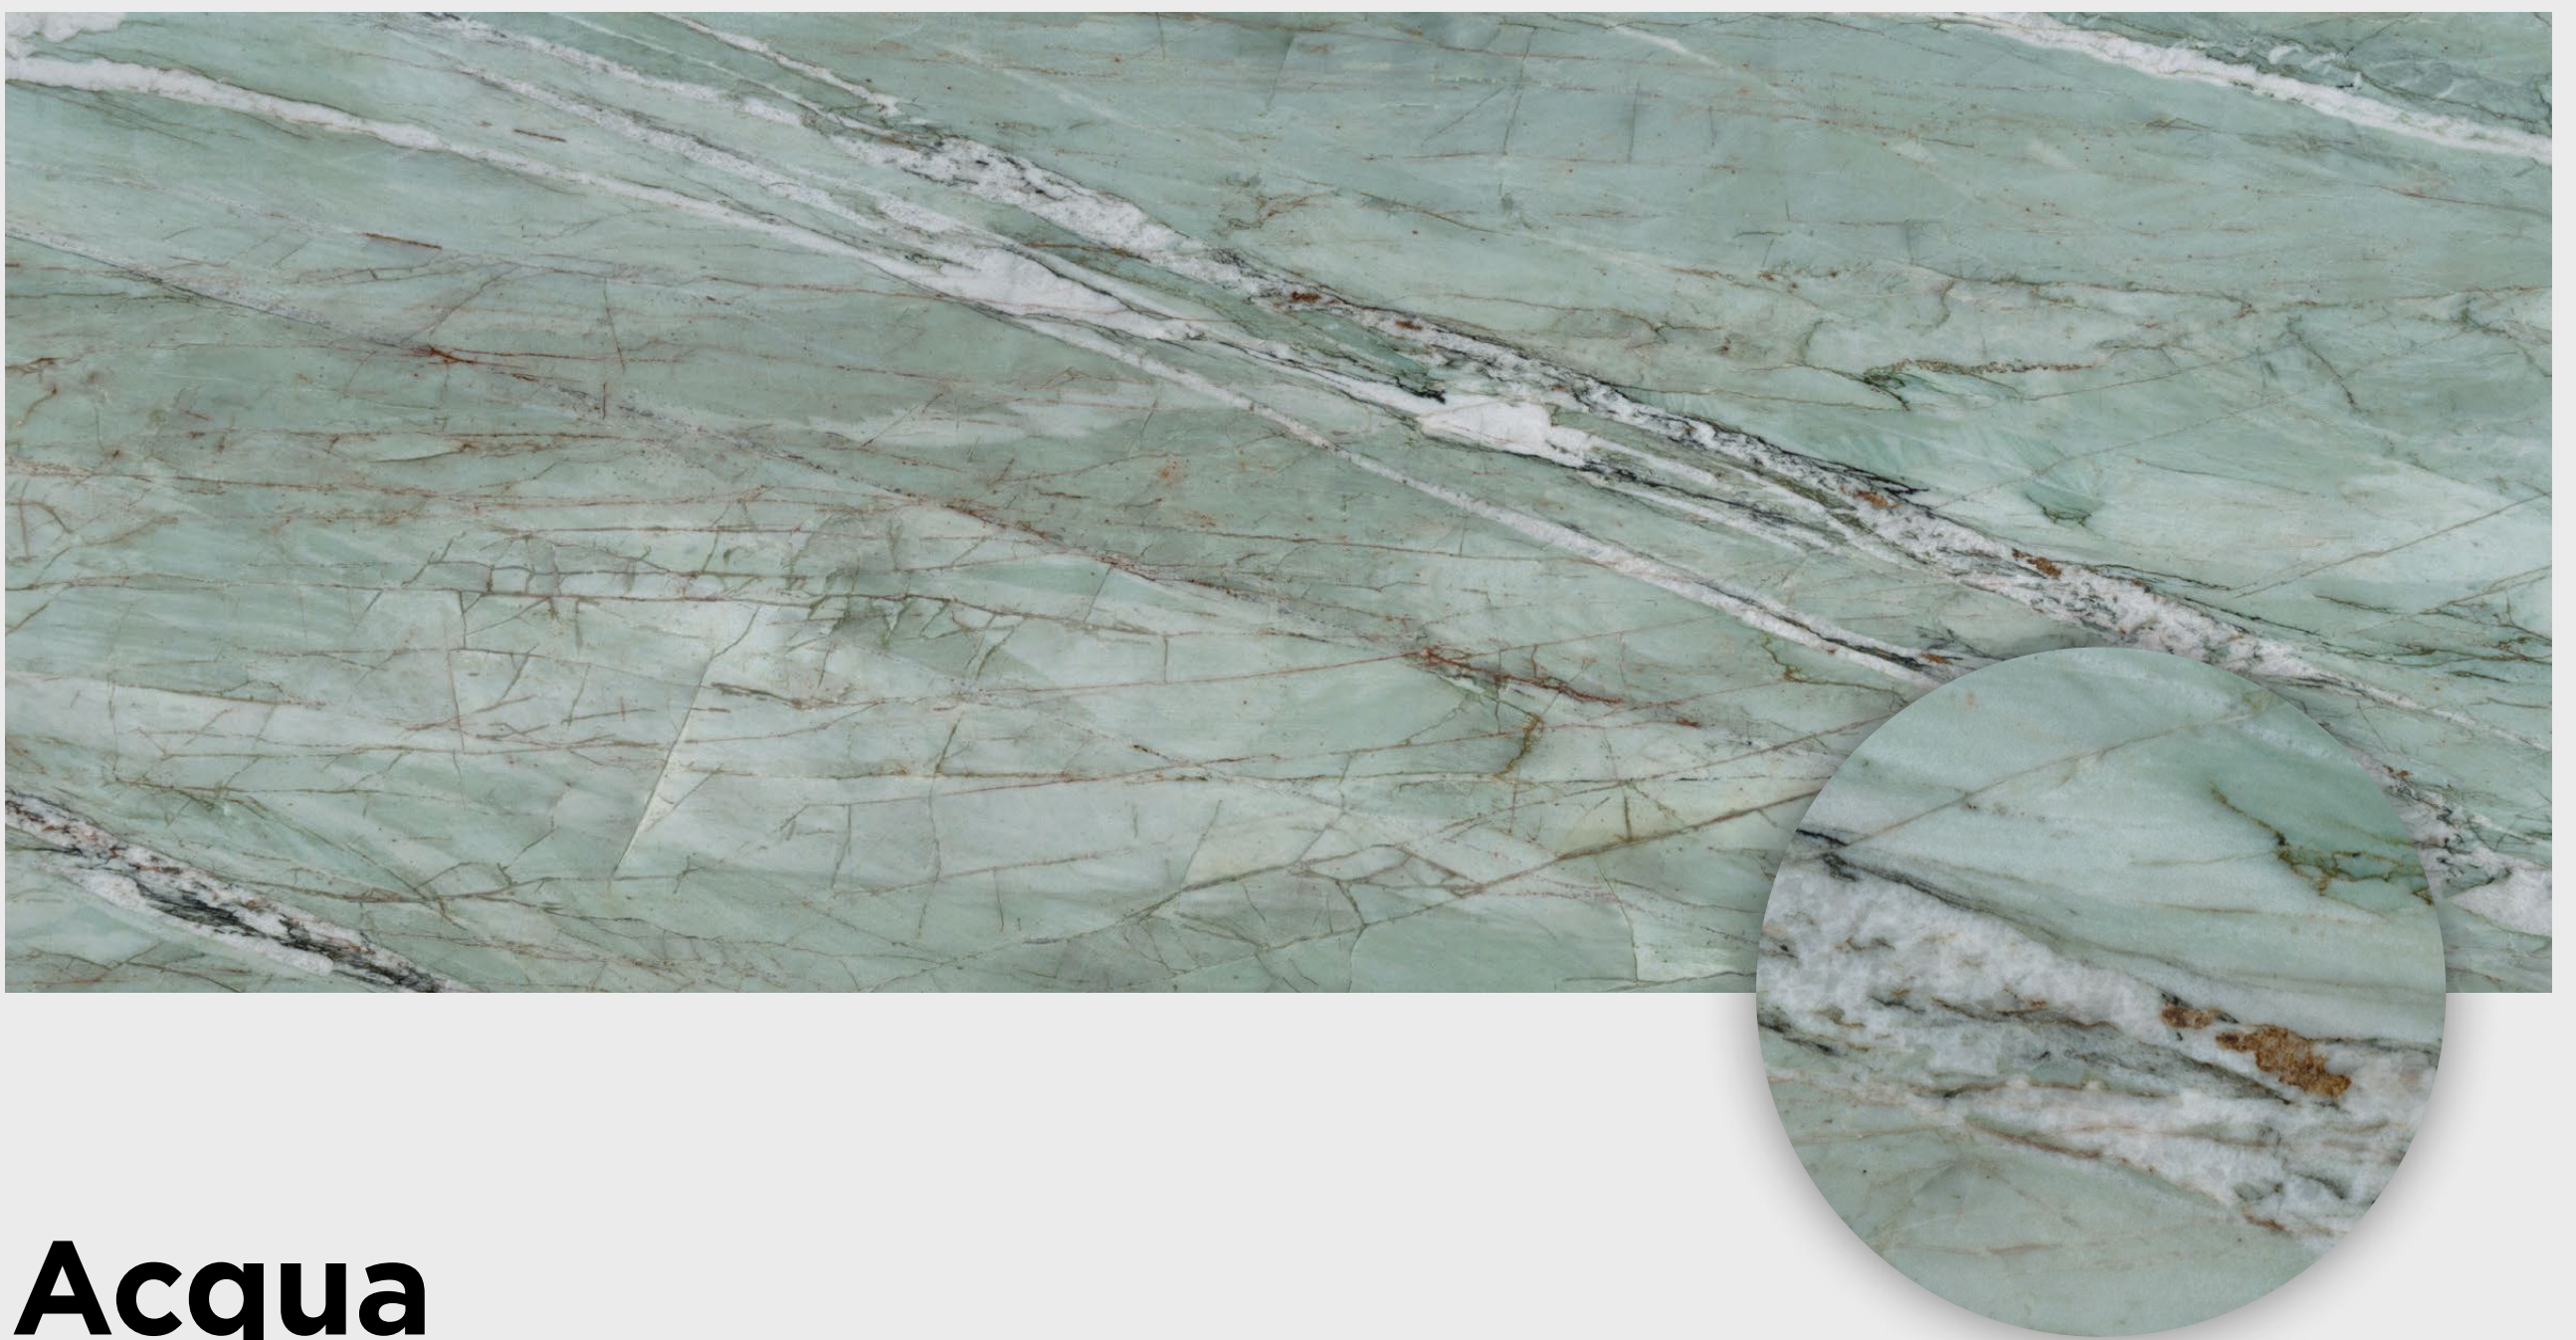

**QUARRY LOCATION** Ceará  
**THICKNESSES** 2 cm | 3 cm  
**FINISHES** Polished | Honed | Brushed

## Crystal Opus

A dynamic mix of vibrant colors and white quartz. A beauty beyond human comprehension. This super exotic quartzite is ideal for bold compositions.

**QUARRY LOCATION** Bahia  
**THICKNESSES** 2 cm | 3 cm  
**FINISHES** Polished | Honed | Brushed

## Acqua

Acqua has a soft greenish shade that radiates the freshness of the caribbean sea. The perfect choice for sophisticated projects.

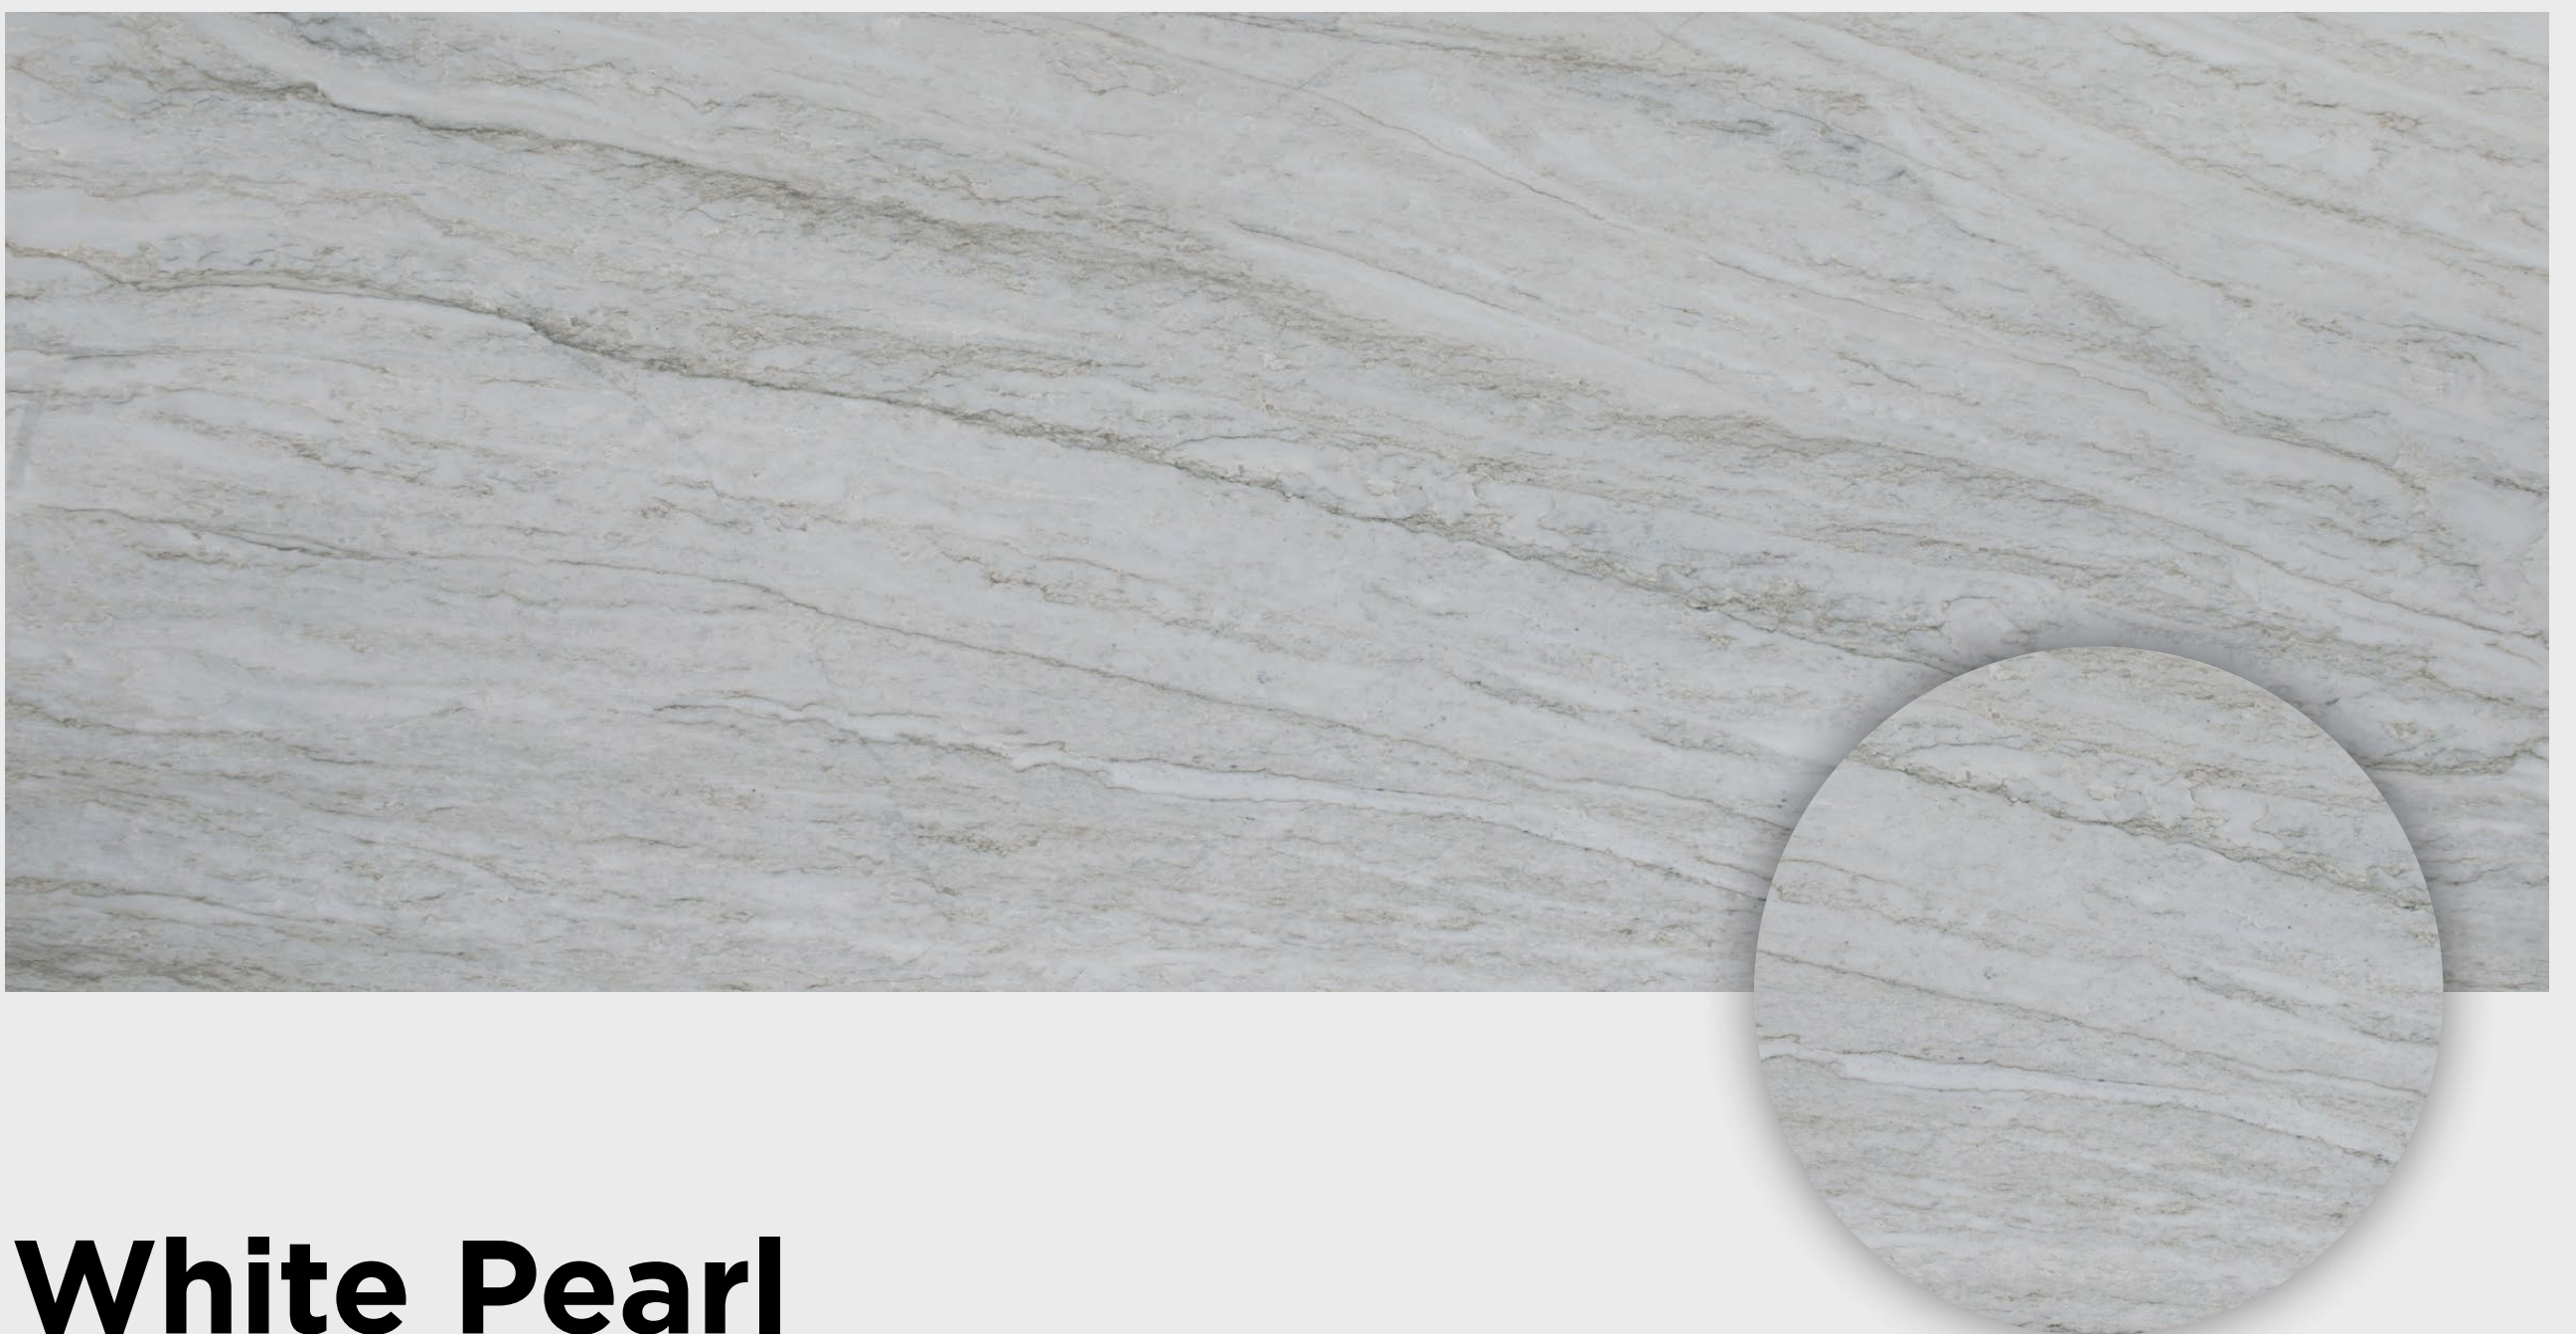

**QUARRY LOCATION** Bahia  
**THICKNESSES** 2 cm | 3 cm  
**FINISHES** Polished | Honed | Brushed

## Crystal Venato

Crystal Venato features dynamic and striking movements. The black and brown veins provides a super exotic look to it along with the green shades on white quartz background.

**QUARRY LOCATION** Bahia  
**THICKNESSES** 2 cm | 3 cm  
**FINISHES** Polished | Honed | Brushed

## White Pearl

Luminous white background with a creamy texture provided by the greyish veins that cross the slabs. This worldwide bestseller combines elegance and versatility for timeless projects.

**QUARRY LOCATION** Minas Gerais  
**THICKNESSES** 2 cm | 3 cm  
**FINISHES** Polished | Honed | Brushed

## Vale de la Luna

Inspired by the breathtaking landscapes of the Atacama Desert, Vale de La Luna showcases a warm, intense color palette with exotic and expressive movement. Quarried from our own site, this stone carries a bold personality — ideal for creative spaces that demand daring aesthetics and natural grandeur.

**QUARRY LOCATION** Minas Gerais  
**THICKNESSES** 2 cm | 3 cm  
**FINISHES** Polished | Honed | Brushed
